ADJUSTABLE LAPTOP CART 2

- Affordable, simple adjustable-height cart. Squeeze the lever to move the cart 27.5"–37.5" high.
- Large worksurface measures 25"w x 21.25"d, plenty of space for a laptop or small equipment.
- The cart's pneumatic column is balanced to lift 16-30 lbs. on the shelf. Less weight will make the shelf a little harder to push down; more weight will make it a little harder to move up.
- Five-point black plastic star base comes with five 3" twin-wheel casters (2 locking). Column is centered over the base.
- Cart holds 150 lbs. overall, though the pneumatic column lifts less (see above).
- Comes with one wood cap shelf, one cap shelf bracket, one pneumatic column, rubber column cover, five-point black plastic star base, and five casters (3" diameter, 2 locking).
- Comes with a Lifetime Warranty against manufacturing defects; five-year warranty on the cylinder.
- Available in Black (BK) metal and Bluestone (BS), Black (BK), or Fog (FG) laminate.
