PHLEBOTOMY CART II

Carry all your phlebotomy supplies on a compact, easy-to-steer cart that takes everything you need right to your patient. Squeeze the paddle to easily adjust the cart height 30"–40" so it's comfortable for clinician and patient. Use the built-in storage for gloves, sharps containers, and more.

ANTHRO
Technology Furniture®
– Fast and Friendly!

1

Handle — The 17" wide handle makes the cart easy to steer.

2

Adjustable Height — Set the height 30"-40" so it's comfortable for patients and clinicians.

3

Storage for Gloves and Sharps — This cart has a place for everything, including a glove box holder and a metal bin with 3"-high sides to hold your sharps container!

4

Contoured Top — The 1/2" high lip runs all the way around the cap shelf to keep vials and supplies in place.

5

Locking Drawer — The 5-3/4" high drawer features a keyed lock. It's big enough to store vials and paperwork for security and privacy.

6

Large Casters — The 4" diameter twin-wheel casters (2 locking) travel easily over thresholds and directly to the point of care.
