ELEVATE™ ORIGINAL CORNER

Perfect for Healthcare or Office

ANTHRO®
Technology Furniture®

Elevate Original Corner's 90˚ angle makes it a true corner unit. This also gives it the most generous amount of workspace, roughly equal to two of our 72" Elevate Original Single Surface tables.

Work sitting or standing with the simple push of a button.

Keep things organized with Elevate's integrated cable management.

Specifications and Ordering Information are on the back. ▸

ANTHRO'S ELEVATE ORIGINAL CORNER

The Elevate Original Corner Comes With:

- A sit/stand height range of 53–27".
- A large L-shaped workspace with a 90 degree angle to keep everything within reach.
- Rolls easily on 4" locking rubber casters which can be locked in place.
- Cable Management: a rear cable trough runs along the back of the table. It's deep enough to hold optional power strips.
- A Lifetime Warranty against manufacturing defects and a 1-year warranty on mechanical and electrical components.
- Durability: metal components are 16-guage steel.
- Overall weight and lift capacity of 250 lbs.
- A Lifetime Warranty against manufacturing defects and a 2-year warranty on mechanical and electrical components. Cords and plugs are not warranted.
