ELEVATE ORIGINAL SINGLE SURFACE

ANTHRO
Technology Furniture®

Perfect for Healthcare or Office

Elevate's work surface has an adjustable height range of 27"–53" which makes it perfect for users of different heights or as a sit/stand workstation. Surface widths come in 36", 48", 60" and 72"

Work sitting or standing with the simple push of a button.

Keep things organized with Elevate's integrated cable management.

Specifications and Ordering Information are on the back.

ANTHRO'S ELEVATE ORIGINAL SINGLE SURFACE

The Elevate Original Single Surface Comes With:

- A sit/stand height range of 53-27".
- Choice of 4 sizes to fit the way you work.
- Rolls easily on 4" locking rubber casters which can then be locked in place.
- Cable Management: a 5" deep rear cable trough runs the width of each table. It's deep enough to hold optional power strips.
- A Lifetime Warranty against manufacturing defects and a 2-year warranty on mechanical and electrical components. Cords and plugs are not warranted.
