

eNook®

|| the new Wall-Mounted Charging Workstation ||

|| a Gas Station for your Gadgets and a Work Space for you ||

It charges, it stores and it fits where you don't have a lot of room. It's called eNook, and it's a very multi-talented workspace. eNook has channels for you to plug in and charge all of your electronic gadgetry, like your laptop, cell phones, PDAs and digital cameras. Flip it up to store your laptop and lock it out of sight. Or flip it down and you have a handy desk. eNook's fabric covered back panel even serves as a bulletin board. Choose different color and fabric combinations to match any décor. Hey, it looks like your gear just found a home.

eNook®

| So Many Walls, So Many Uses |

Add Shelves

Part # 336SM
The Accessory Shelf is sold separately to hold all your extra gadgets. Buy as many as four for your electronic devices. Remember to leave room to store your laptop.
Each shelf is: 13"w x 5 1/2"h x 5"d.

Keep it Neat

There is plenty of room at the bottom to plug in all your gadgets and hide all your cords. If you want to mount an electrical outlet behind your eNook, there are holes in the back panel to accommodate this.
The shelves come with clips to keep cords and cables organized.

Lock it Up

One key fits both the flip-down desktop and the cord and cable area.

Keep Cool

The metal frame is vented on all four sides to keep it cool on the inside.

Dimensions

Part Number: EK3616zz/xx*

*Replace zz in part number with two-letter fabric color code.
Replace xx in part number with two-letter laminate code.

Weight Capacity

eNook holds up to 50 lbs. total, up to 30 lbs. on the worksurface.

Not sure how to get eNook onto your wall?

We provide do-it-yourself hardware and instructions for installation to wood studs and dry wall. Your eNook can be mounted to other surfaces (like concrete and brick), and this work should be done by a qualified contractor.
