

zido® Phlebotomy Cart II Package

Carry all your phlebotomy supplies on a compact, easy-to-steer cart that takes everything you need right to your patient. Easily adjust the cart height 30"–40" so it's comfortable for clinician and patient. Use the built-in storage for gloves, sharps containers, and more.

- ① **Handle** — The 17" wide handle makes the cart easy to steer.
- ② **Adjustable Height** — Set the height 30"–40" so it's comfortable for patients and clinicians.
- ③ **Storage for Gloves and Sharps** — This cart has a place for everything, including a glove box holder and a metal bin with 3"-high sides to hold your sharps container!
- ④ **Contoured Top** — A 1/2"-high lip runs all the way around the cap shelf to keep vials and supplies in place.
- ⑤ **Locking Drawer** — The 5-3/4" high drawer features a keyed lock. It's big enough to store vials and paperwork for security and privacy.
- ⑥ **Large Casters** — The 4" diameter twin-wheel casters (2 locking) travel easily over thresholds and directly to the point of care.

Product # and MSRP	BZD04SB/CG4 (Slate Blue metal) BZD04CG/CG4 (Cool Grey metal) \$1019 MSRP
Column Height Range <small>(measurements are from the floor to the top of the shelf)</small>	as high as 40" ↑ ↓ as low as 30"
Lift Capacity <small>(Estimate only. Lighter loads make the shelf harder to push down. Heavier loads make the shelf harder to pull up.)</small>	16–30 lbs.
Base dims	17" w x 22.25" d
Shelf dims	22" w x 17" d
Unit weight	85 lbs.
Weight capacity	50 lbs. on the shelf; 150 lbs. overall
Mobility	Easy to move with 4" twin-wheel rubber casters (two locking). Heavy cast metal base provides stability.
Materials and finishes	The 2.5"-diameter steel tube and cast metal base receive a baked-on powder coated finish that's durable and easy to clean. Shelves are 1"-thick medium density fiberboard wrapped in Comfort Edge thermoplastic laminate that resists cracking and chipping and stands up to a wide range of chemicals.
