### It's crazy, isn't it? How do you keep up with the tablet phenomena?

It's almost impossible! But we can say that we're pretty much up to date and love to share. So even if you're looking at someone other than Anthro, that's OK — call us at **800.325.3841** if we can validate your plans, raise red flags, or just offer you support!
