

THE RIGHT TABLE FOR YOUR MODALITIES

How many modalities do you need to view at one time? Do you use a second voice recognition display? At Anthro, we ask the right questions to help find the right table for your needs. Use the matrix below as a great first step in selecting the perfect table to support your monitor configuration. *Note that optional kits are required for some modalities.*

2+1	 Carl's Table CT15				
2+2	 Carl's Table CT15				
4+1	 Carl's Table CT15
